## **Measures Taken By Coolco to Prevent The Spread of the Corona Virus**

- A: Pure water production area is a fully sealed clean room with positive filtered air flow.
- B: High pressure pure water internal cleaning of barrel.
- C: Several measures for the barrel filling staff:
  - 1. Sanitizing hand wash,
  - 2. Sanitizer
  - 3. Paper towels
  - 4. Hair nets
  - 5. Lab coats
  - 6. Beard nets
  - 7. Face masks

Several measures for our drivers:

- 1. Each vehicle has hand sanitizer and drivers instructed to use it prior to each delivery.
- 2. Each vehicle has sanitizing wipes and drivers are instructed to wipe the neck of the barrel prior to each delivery. These wipes are also available for sanitizing the handheld delivery phone prior to client signing.
